In Jodi, cess on the village in question has risen from Rs 47-6-5 to Rs 141, nearly 100 Rs in excess.

15) In the Muz File 225-24 regarding the revision of the Scale of Rates in the matter the total Jodi. Cess payable by the mutt is shown as Rs 1936-14-2 as against Rs 789-2-1 provided for in previous scales, and the Muz: Comr has been asked to send a report as to how there has been such abnormal increase in the Jodi payable without a proportional increase in the income of the mutt viz village lands. The present case of the Jodi in viz Sringeripura has contributed nearly Rs 100 to the total excess evidently without corresponding increase in its revenue. This seems to be unaccountable and a report seems to be due in this matter also may be called for.

Sir,

I have the honor to submit herewith copy of letter No.C.C./267/24-25 dated the 1st ultimo received from the Deputy Commissioner Bangalore District submitting for sanction a bill for Rs.835-14-6 -- being the excess jodi amount due to Government on Gangenapura village Magadi Taluk belonging to Sri Sivaganga Matt from the year 1916 and to state that the survey Superintendent who was requested to intimate the circumstances under which the jodi was enhanced in the year 1916 states in his letter No.71 dated the 22nd ultimo that an adinterim quit rent was fixed at the Inam Settlement on the old beriz and it was since revised in 1916 on the basis of the survey valuation.

This demanded of the excess jodi amount of Rs.835-14-6 from the year 1916 up to the end of 1923 has now to be paid from the funds of the institution. As the verification of the accounts of the matt has not yet been finally settled and as the charge is very heavy to be paid at once from the slender resources of the matt, I beg to recommend that sanction may be accorded to pay the arrears in 5 annual instalmen

If the demand for the excess had been claimed as it fell due - there would have been no reason for applying for the grant of the --- concession now sought for.

The enclosures received with the Deputy Commissioner's letter

(1) It is not the Jodi that was originally fixed at the quit-rent

(2) At the Inam settlement the village was re-assessed at the Inamdar Jodi of Rs.47-6-9 with a reduction of quit-rent of Rs.2-0-0 calculated on the basis of the old terms.

(3) But this was cancelled subsequent to 12th October 1872, when the quit-rent fixed was only the re-assessed, according to the old terms. It was therefore decided, as per Circular Memorandum (vide pages 254 (1),(ii) and (iii) of the Revenue Manual) to fix the quit-rent of Rs.2-0-0 as fixed originally to the Jodi.

The above course was followed in the case of the Inam villages,

and circulated thereto,

D. Srinivasa Iyengar
Superintendent.
